Co-Teachers: Delores Herrin, Jimmy Jones, & Carolyn Maguire

Ladies Class - FP4H: Start Loosing, Start Living Led by Debbie Arthur

In this study, you will discover how to become aware of God's calling on your life, commit to the goals He has for you, overcome temptations, be transformed in your heart and mind, focus on the end goal, and join with others for success. As you walk through these steps with us, you will realize that you can take steps to start losing weight and start living a healthy life!

Ladies Class - True Women 101: Interior Design Led by Laura Campbell

Extreme make-over programs are as popular as they are on TV because everyone loves to see dramatic change—whether it's weight loss, the clothes we wear, or a completely remodeled home. But the most powerful change of all is the transformed heart of a woman who has allowed herself to be completely 'made over' by the Great Designer Himself. If you want to be such a woman, open the pages of this book and allow God to put fresh paint on the walls of your heart.

Video Class - American Heritage Series Led by Jeff Zimmerman

For centuries, Americans were taught a truthful view of history that recognized the Godly heroes and moral foundation our nation was founded upon. But in recent years, a new version of history has assaulted the moral and spiritual fiber of our nation, leaving the truth of our past eliminated and forgotten. Until today. From Separation of Church and State, to the Civil Rights Movement, the heroism of our founding Fathers to the building of our nation's monuments, this series will inspire every American to reclaim the Godly, true story of our nation.
